

EZIFIT IN-WALL

EXTERNAL WALL MOUNTED FAN

Exterior flush mounted fan that is barely visible, very powerful and easily accessible. The most effective way to exhaust from downstairs laundries, kitchens and powder rooms in a two storey home.

- Easy to install on exterior wall.
- Flush-mounted design provides an unobtrusive appearance.
- Powerful air extraction from one or more grilles.
- Can be wired in High, Medium (standard) or Low speed.
- 3-Speed Switch available for speed control.
- 5-Star compliant when used with backdraft damper.
- “Continuous rated” motor fitted with thermal-protection.
- Supplied with flywire as standard.

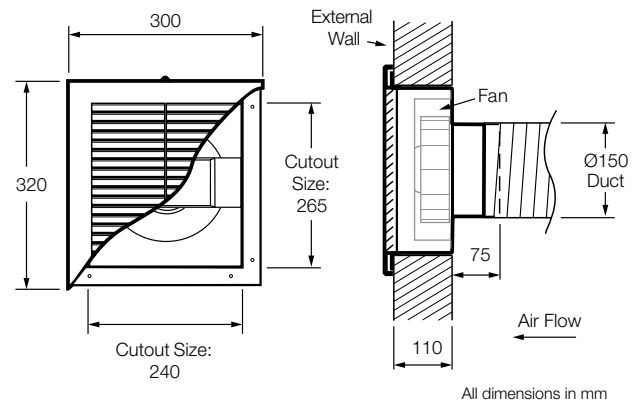

ACCESSORIES

- Run-on Timers.
- 3-Speed Switch.
- Flexible Duct - Fire Rated AS/NZS 4254.
- Internal Grille.
- Backdraft Damper.

Neutral colour grille complements most brick colours; can be easily painted if required.
