

RAPID RESPONSE 250

DUCTED CEILING EXHAUST FAN WITH GRILLE

3^{*}
YEAR WARRANTY

RAPID
INSTALL

POWERFUL
AIR FLOW

IPX4

The Rapid Response 250 ceiling mounted header box fan features quiet operation and powerful air flow performance. It includes a fully optimised inlet cone and centrifugal impeller that maximises air pressure and ensures rooms are quickly cleared of steam and unpleasant odours. It includes high strength swing clips and a removable spigot that makes it very easy to install into a standard 10" round fan cut out.

- Advanced impeller and housing design provides powerful air flow and minimises noise.
- Available with a modern square or round grille.
- Low resistance non-return backdraft damper maximises air flow performance.
- Can be retrofitted into a standard 10" round fan cut out.
- Fitted plug and lead simplifies installation.
- Includes high quality sealed for life ball bearings.
